

TAKE ANCRA'S WINCH BARS TO THE NEXT LEVEL

**Ergo-Bar**  
A NEW ANGLE  
ON THE WINCH BAR<sup>®</sup>

## EFFICIENT

*Offset design eliminates the need to use bar at extreme angles - either upward or downward.*

*The bar won't roll away when laying on high arched aluminum trailers.*

## SECURE

*Standard mushroom tip keeps bar securely in winch cap.*

*The grip and bellowed end of the handle helps keep hands from sliding off the bar.*

## 3 STYLES AVAILABLE
