

H.E.L.P WHEN YOU NEED IT HIGHWAY EMERGENCY LED PULSE

The Ancra HELP light can be used in addition to road flares. The HELP light uses high intensity LED's that run cool and have a life span of over 100,000 hours. The HELP light can be attached to any metal surface using the magnet on the back of the housing. There is also a folding hook on the back that can be opened and used to hang the light or as a prop to set the light on the ground.
